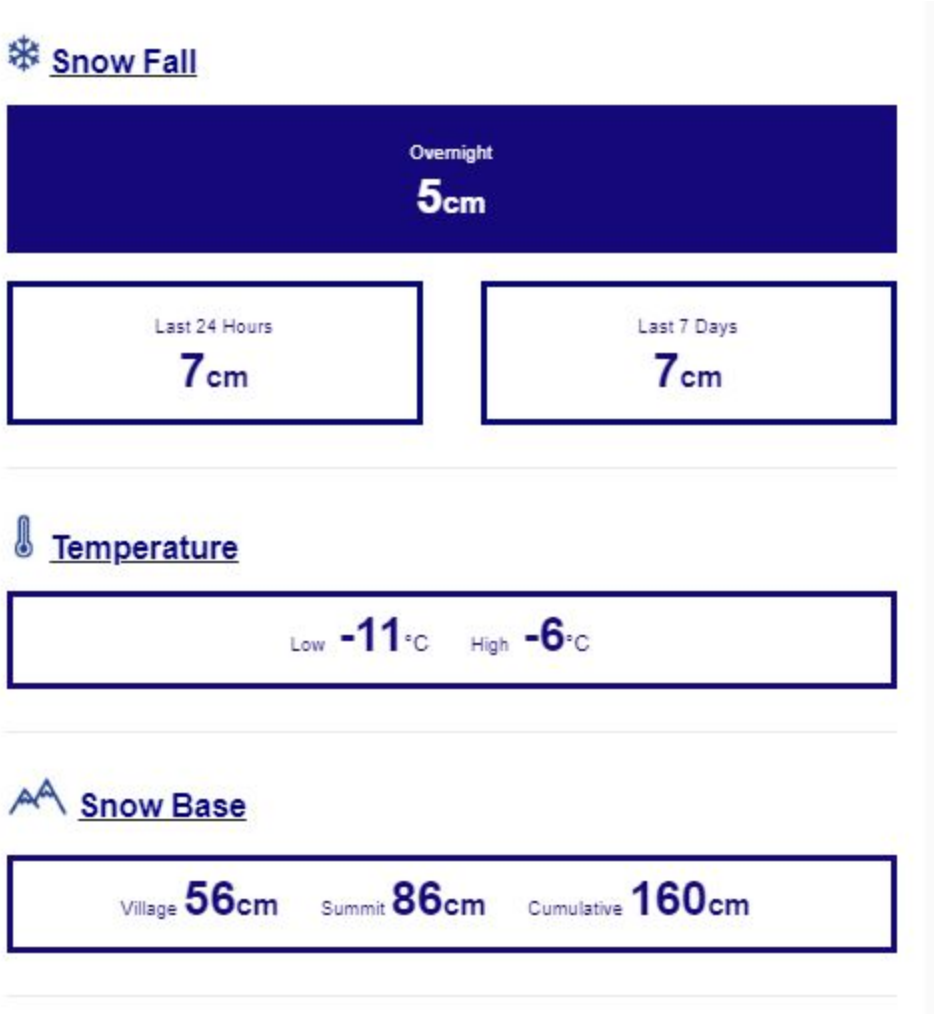
Silver Star Stays - Last MinuteSteals Dec. 2, 2019

We will see a bit of snow on a regular basis this week. A wave of moisture moving in from the northwest will keep snow in the forecast for the start of the work week. We will also see temperatures moderate this week as the cold Arctic air is replaced by a westerly influence from the Pacific. Monday's daytime freezing levels will remain near the valley base. Westerly or southwesterly winds will be low to moderate at times.



This week's specials are valid for Dec. 2 - Friday, Dec. 13 (departing Friday Dec. 13th)

The rates are our early winter rates, plus a last minute 20% discount which has been deducted off the prices quoted here. All prices quoted are per night plus 13% tax.

Don't forget we have a Mid-Week Special and a Weekly Special that is valid year round (except for Christmas/New Years).

Mid-Week Special (MWS)- Arrive Sunday - Depart Friday. Stay for 5 nights - pay for 4.

Weekly Special (WS) -Arrive any day - stay for 7 nights - pay for 6.

Both specials can be combined with the last minute rate making these specials an exceptional deal!
